

# Swim England Learn to Swim Programme

December 2017

# General Information for group swimming lessons

In order to ensure children join the appropriate group for their ability, new applicants wishing to sign up for group lessons will require an assessment.

Towards the end of each term, existing pupils will receive a “your teacher recommends” slip, advising you as to which “stage” you should enrol your child for in the next term.

An appointed swimming teacher will be responsible for assessing each pupil.

Where participants are physically unable to ever achieve an outcome listed, the award should be granted based on the achievement of the remaining outcomes or a suitable adaptation to meet the needs of the individual.
